		Subtotal	\$0.00
		Total	\$0.00

Thank you for your interest in hosting an event with the Union Department. This confirmation outlines what will be provided by the Union Department and the costs of those services. An event in hold status remains in hold status until a deposit or payment has been made. A date that is held can be requested at any point by a 3rd party. At that time and upon notification, the original holder will have 48 hours to submit 50% of the projected costs of their event to the Union or risk losing their held date. Event details including, but not limited to accurate times and attendee count must be given to the Union staff at least 2 weeks prior to the event. If an organizer should fail to submit these key details, the Union reserves the right to cancel the event. Major changes during the 2 weeks leading up to the event including room changes, increases or decreases in attendee numbers of 25% or more, or time changes could result in a rush fee of at least \$50 to be applied for each change. Receipt of this confirmation and payment made or budget string provided confirms that all Union Complex policies have been read and understood by the event organizer. All Union Complex policies can be found at <https://www.usm.edu/union/unioncomplexpolicies.pdf>.
